

Great Streets is the District's multi-year, multi-agency commercial revitalization initiative to transform emerging corridors into thriving and inviting neighborhood centers by utilizing public actions and resources to leverage private investment in retail, housing, office space, and cultural facilities. Our goal is to boost commercial vibrancy by stimulating development and improving transportation options along the twelve Great Streets corridors.

\$20+ million invested in small businesses and catalytic projects, including The Howard Theatre, St Elizabeths East Gateway Pavilion, and Digital DC Tech Fund

37 miles of streetcar lines will connect neighborhoods to commercial corridors

\$2+ billion captured in retail leakage

21 Metrorail stations located within a half-mile of a Great Streets corridor

30+ transit-oriented mixed-use developments completed or under construction

\$100+ million invested in streetscape improvements
